

**Want to make
purchases from an
Australian store?**

**We can provide you
an Australian delivery
address and forward your
shopping overseas!**

How does it work?

- You wish to purchase from an Australian online retailer.
- Sign up with SOS Mail Parcel Services and receive your Australian delivery address—FREE!
- SOS Mail Parcel Services will email you an Australian address immediately with an ID number, which you will provide to your Australian retailer.
- Purchase your items from your retailer. The company packs and sends your order to your Australian address.
- SOS Mail Solutions Parcel Services receives your parcel/s and uploads into your online parcel account, with all information including size & weight. An email notification is sent to you.
- You request the item to be forwarded to your international address with the type of shipping method & choice of freight provider.
- SOS Mail Parcel Services advises you of the shipping costs and requests payment through PayPal or direct deposit.
- Once payment is received, items are dispatched and the tracking number is emailed to you.

**Receive
your online
shopping
anywhere in
the world**
