**SOS MAIL
SOLUTIONS**

Receive your mail anywhere in the world

How does it work?

- Sign-up with SOS Mail Solutions to receive an Australian PO Box address.
- Redirect or change your mailing address to your new PO Box address.
- SOS Mail collect your mail daily Monday to Friday (excluding Public Holidays).
- An email notification is sent to you when new mail is received.
- Check your itemised list of mail by logging into your secure SOS Mail account online.
- Within your SOS Mail account online, you have the control to choose your mail forwarding requirements—post, courier, scan, shred/recycle, or to hold.

Why use us?

- Established since 2006, we remain a family owned business.
- Your mail is in safe hands with us.
- Confidential service—discretion is guaranteed.
- Our unique in-house software allows us to log and track every single one of the thousands of items of client mail we receive every year.
- We offer same-day setup as standard.
- Scanned PDF images are saved with character recognition.
- You do not need to display your account number in your address.
- Virtual office facilities available, ie. telephone answering, fax forwarding, banking, secretarial services & printing/copying.

Easy to register... phone us or visit our website to find out more
